Principal's Message:

Tena koutou katoa,

As the Omicron wave continues to rise, our thoughts are with any positive cases, unwell students, family members and staff. If you need support at this time please email or reach out to your class teacher or our School Principal.

It is understandable that the impact on our day to day life and routines are significant as further community spread increases. Watching the joy of learning every day in our school is a timely reminder of how resilient children are.

We wish to thank you for your support in contacting our school if your child has tested positive, as well as advising of any students that are required to be in isolation due to a family member testing positive. This information is shared daily with the Ministries of Education and Health, and also provides the class teacher with your child's / family 's situation.

Kia kaha

DO choose masks that

Fit snugly against the sides of your face and don't have gaps

Have two or more layers of washable, breathable fabric

Completely cover your nose and mouth

This just adds to the amazing kaupapa we have been involved in From our Facebook page

Kiaora Im just a parent wanting to send an appreciation post to a little boy who was picking up all the rubbish on his way home from kura this afternoon through the alley ways on the reserve and down Feasegate street. I offered to pay for the rubbish he picked up and put it in

my bin but insisted he took it home 🥰

Jacob from room 25 you are amazing 🙌

Papatūānuku Day

Project "Papatūānuku Day" was to help clean up and look after our environment. It was hard mahi but together tamariki got right in there and cleared out all the weeds and trimmed back the overgrown trees and bushes.

We persevered like our school motto says "**Commitment + Pride = Success**".

The tamariki enjoyed being outdoors and all our tamariki were treated to a sausage sizzle and a nice cold ice block to cool off after all their hard work .
