Principal's Message:

Tena koutou katoa whānau ,

No doubt you will have heard there have been a number of bomb threats made to schools across New Zealand. We hope our school will not be one of these.

We thought it was important to share our school's bomb threat procedures with you so you can be assured that we have a plan in place to keep everyone safe

- If a bomb threat is made to our school we will immediately evacuate classrooms and make our way down to the end of our field*
- Police will be called*
- All front gates will be locked so we can keep people off the school site*
- Teachers will call their class rolls to make sure all students are present in the evacuation area.*
- We will notify parents / whanau on the school App and Facebook pages about the bomb threat*
- Parents / whanau will be able to collect their children from school by using the walkway on Browns Road to our evacuation area which is close to this entrance.*

We need to be prepared to act quickly so we can keep everyone in our school safe. If you have any questions about this please do not hesitate to contact us.
