Principal's Message:

Online bullying is never okay

Bullying is when someone says or does something unkind or unsafe to someone else. When bullying happens on a device, like a computer or mobile phone, this is called online bullying or cyberbullying.

Someone is bullying you online if they: call you names, say rude, nasty or mean things about you to other people, spread rumours or lies about you to other people, make you feel unsafe, make you feel embarrassed, keep contacting you when you don't want them to, share pictures or videos of you that you don't like, pretend to be you to make you look bad.

But you can get help if it happens to you.

1. Talk to someone you trust, like your support staff, whānau or a friend.
2. Save messages and images. Take a screen shot, or ask someone else to do it for you.
3. Report it directly to the social media app or website where it happened. You can ask someone else to help if you don't know how.
4. Ask for help to block any phone numbers that are being used to send you nasty messages.
5. Contact Netsafe for advice.

What happens when you contact?

Netsafe will: 1. Ask you questions to understand what has been happening to you. 2. Talk about ways to stop the abuse. 3. Suggest other people you can talk to who may be able to help.

TWA Year 8 Trip to Mt Ruapehu

17/08/2022

Nga Haerenga ki te Vodafone Events Center

Tuesday 2nd of August my kura Clendon Park School went to the Vodafone Event Center.

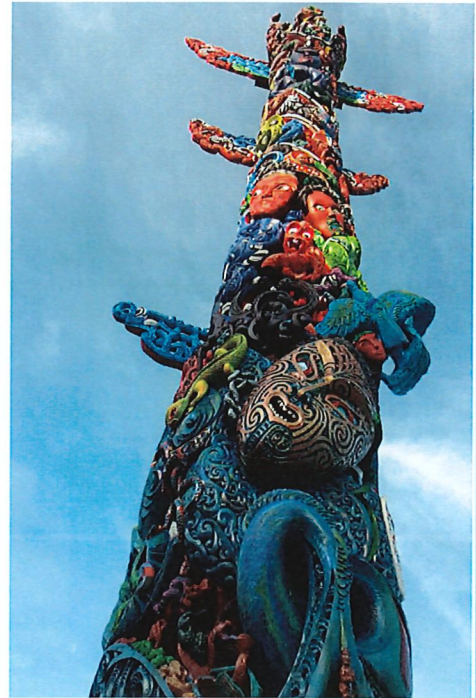

First, we went to the vans and got in them then we were on our way.

We went to the wrong entrance. We got to the right one and got a parking space.

Then, we sat down to listen the beautiful story about the lovely pole in the middle of the parking. Then we went inside to listen to instructions.

Next, we got our dance on. I felt happier than ever. We went inside a theater and I looked around the whole place. It was massive plus the Atamira was humongous, we had a karakia and it had actions too.

The people who ran the place were Caleb, Abby, Shaun and Maddy. The actions were so graceful and calm.

After that, we had a little kai, we had 10 minutes to eat, after 10 minutes we went back into the theater where they demonstrated how to tell a story using actions. They did the story of Tanemahuta and the three baskets of knowledge. It was so HILARIOUS and fascinating.

Finally, we learnt some choreography then we shared the dance. It was nerve racking but also fun. Once all our turns were over we sat down and asked some questions, did a speech and did a fierce haka then made our way back to kura.

The next trip was on the 4th of August. We went to Matatua. Only eight from each year's 6,7 & 8 classes could go and we went to Mt Wellington. We played heaps of games like maui matou. Maui means left matou is right then we played tapiri and a tango game. Tapiri means add tango means take away.

Then we had a kai. My brother and I were play rugby then that ended so we played a bit of urutomo, it is kind of like capture the flag but with a rakau the rakau is the flag but they made it hard by doing obstacle courses and you had to ran up and down a hill.

Then we packed up our stuff and headed to the vans then just as we were about to go out the gate we had a minor issue the gate would not open and the bus filled with all the boys had already left and was already on the motorway.

CCSA Cross Country Results

Some amazing results at CCSA Cross Country. Our Year 7 boys, Year 8 girls and Year 8 boys teams all came second - first time we've ever had three top two finishes at CCSA Cross Country.

These students also placed in the top ten of their races, meaning they have qualified for Counties Cross Country in a couple of weeks - not sure we've ever had more than eight individual qualifiers, either!
