Principal's Message:

Term 1 has simply flown by after a rocky start back to school with flooding and damage to many homes. We hope that you and your whānau are recovering from this very unexpected series of events.

We have had lots to celebrate at school this term. Our students have been very engaged in their learning and have shown some great gains in their reading, writing and maths levels.

It's been wonderful to see that student attendance has increased this term. This means that your child can achieve at better academic rates and have higher self esteem about their achievement. I cannot stress enough that to be successful your child needs to attend school every day, *Every day really counts.*

Thanks so much to you all for your wonderful support of our school. Our close partnership together means that your child's learning journey can be a safe and happy one.

Have a wonderful Easter break with your whānau and I hope this time is filled with happiness and peace. We'll look forward to seeing you all in Term 2.

Kiwican Leaders 2023

Freedom Setu: I have been a Kiwican leader for 4 years previously working at Sutton Park School in Mangere. So far my time here at CPS has been amazing and looking forward to the rest of the year.

Nicole Gillespie: I have been a Kiwican leader for 2 years. Before transitioning to Clendon Park School I was at Manurewa West Primary. I have fallen in love with the school and one of the most rewarding things about being a Kiwican leader is seeing so many students grow and step out of their comfort zone! I can wait to get to know everyone.
