Principal's Message:

Why does school attendance matter?

Missing a few days of school here and there may not seem a big deal, but research shows that it can have a significant impact on children's learning.

Children who miss a substantial amount of school fall behind their peers, and struggle to catch up.

Poor attendance often starts at primary school, and children who fall into this pattern are likely to underachieve at secondary school.

Friendships can be affected by persistent absence too, it can be hard for a child who misses lots of school to form relationships with their classmates.

Netball Season 2023

The 2023 Netball season officially kicked off on Saturday.

There was a great turn out for the parade and Clendon Park School won the trophy for the best dressed school or club.

Chanelle and Sailor were selected to shoot the first goal for the season.

Once again a huge thank you to the coaches and teachers who have volunteered to take a team this year and to the parents for your continued support.

The Worm show at the Vodafone Events Center

Raapa 10 o Haratua 2023

I was chosen to go to the Due Drop Vodafone Events Center. When we walked into the Theatre there were drums and they were super loud. I had no idea what to expect. When The Worm character came in I was shocked but I loved the whole thing.

It was more than amazing. I almost cried when the mother worm got taken away by the bird. My favorite part was when they saved the mother worm and found out that the old worm who helped the little worm get through the mud was the dad. I didn't expect that to happen and the people who were playing the instruments were so cool, definitely a 10/10 show.
