## Principal's Message:

Congratulations to Rm 10(senior class) and Rm 23(junior class) for having the best attendance so far this term. Both winning classes received McDonalds on Monday for lunch.

### Immunisation protects your tamariki, whānau and community

After access to clean water, immunisation is the most effective health intervention in the world for saving lives.

- Immunisation stops adults and tamariki from getting really sick and having to go to hospital.
- Immunisation stops people dying from diseases that could be prevented.
- Immunisation reduces the risk of having long-term health issues and disabilities caused by disease.
- Immunisation stops people from passing diseases to their whānau, particularly to those who may not have strong immune systems.
- Immunisation keeps your community safe by stopping the spread of disease sometimes called 'herd immunity'.
- Immunisation may mean having to take less time off school or work due to your whānau getting sick.
- Immunisation during pregnancy helps keep both you and your baby safe.

### If you decline any immunisations for your child

If you decline any, or all, immunisations for your tamariki – they will be at much higher risk of harm from vaccine-preventable diseases.

You may also be putting your community at risk, as high immunisation coverage is needed to protect those unable to be immunised – such as newborn babies, and those having cancer treatment.

Tamariki who are not immunised may need to be excluded from early childhood centres, daycare, or school to prevent the spread of the disease – for instance in a measles outbreak.

### Photolife Photos

This year photographs will be available for you to view and order Online with PhotoLife Studios. In a few weeks, you will receive a flyer from PhotoLife Studios with your unique Access Keycode. This Access Keycode will display all the photographs of your child. It is then an easy process for you to shop online and purchase the photographs you want.

If you place your order within two weeks of receiving your Access Keycode you will receive free delivery for your photo orders. PhotoLife has agreed to dispatch all the orders back to school and your child will bring their photographs home.

Any orders placed after this two-week period will be sent directly to your specified delivery address and will incur a \$8.00 Postage & Packing charge. You will see this message when you go Online to view and order your photographs.

The school photos will be taken on the **Monday 19th June 2023**

## Poitarawhiti Netball

What a day of Reo Maori & Netball for all our poitarawhiti teams in Waitakere last Friday. Thank you Matua Hone for driving the bus, being kaikorero, film director and jumping in as back up coach, much appreciated.

Tamariki were all given a Maori position to learn and were only allowed to korero Maori on the courts. Umpires also made calls in Maori. The venue provided our tamariki with a sushi lunch, snacks and fruit which they were very excited about. Our teams were whenumi which is mixed boys and girls and each played 5 games.
