TERM 2 WEEK 8

**SCHOOL WILL CLOSE AT 1:45PM ON THURSDAY 22ND JUNE  
FOR PARENT/ TEACHER/ STUDENT CONFERENCE**

## PRINCIPALS MESSAGE

Homework plays a very important part in your child's learning. Teachers will give students homework in one form or another.

**Homework is given for two main reasons at primary school level -**

- To reinforce the teaching and learning that has been taking place in the classroom, and
- To help students develop special skills such as independent research.

You can help your child to set up a homework routine at home. This sort of routine can become a lifelong skill for your child if you reinforce it at home.

For example, after school you may give them 20 minutes to unwind, get changed out of their uniform, have a snack - possibly the remainder of their lunch, and watch a little television. It may be after all this that you choose to tackle any reading or homework that needs to be done.

Homework is set to help your child to learn and they will only learn if they are the ones "doing" the work. They won't learn by watching you, but by practicing themselves. This means you have to be careful with how much you help.

Help your child problem solve by **explaining to them how to do the task**. If that still doesn't help show them the steps they need to take. Let them go through the homework task next doing the steps themselves.

## PHOTOLIFE PHOTOS

The school photos will be taken on **Monday 19th June 2023**

Classroom photos will be taken as per normal (no permission slip required). If you require an individual or sibling photo, a permission form **MUST** be returned to school by Friday 16th June. Sibling photos will commence from 8.30am followed by individual photos.

In a few weeks, you will receive a flyer from PhotoLife Studios with your unique Access Keycode. This Access Keycode will display all the photographs of your child. It is then an easy process for you to shop online and purchase the photographs you want.

If you place your order within two weeks of receiving your Access Keycode you will receive free delivery for your photo orders. PhotoLife has agreed to dispatch all the orders back to school and your child will bring their photographs home. Any orders placed after this two-week period will be sent directly to your specified delivery address and will incur a \$8.00 Postage & Packing charge. You will see this message when you go Online to view and order your photographs.

## BELL TIMES

8:55am	School starts
10:55-11:15	Interval
12:45-12:55	Lunch eating
12:55-1:45	Lunch playtime
3:00pm	End of day

COMITTMENT + PRIDE = SUCCESS

## CPS SENIOR LEADERS 2023

Our school community would like to give special thanks to these school leaders who have exemplified the school values by fulfilling their roles and responsibilities to the best of their abilities. The school counsellor provide support for students during breaks, and the road patrollers ensure that all students arrive and depart from school safely, regardless of the weather conditions. Their dedication to their job is commendable, and they are doing an excellent job at leading by example.

## TEAMS OF CPS

It's great to see that our school has a variety of sports teams for students to participate in. With 8 netball teams, we have a lot of talented players. It's interesting to see the unique names of each team, from the fierce-sounding Panthers to the whimsical Unicorns.

In addition to netball, we have basketball teams for both junior and senior students. It's great to see that students of all ages have the opportunity to play and develop their skills in a supportive environment.

It's also exciting to hear about the rugby girls team being coached and trained by Whaea Sarah. We look forward to hearing the feedback from the upcoming Rugby Girls Day Out event.

## RISING STARS

As the school year progresses, the CPS Panthers Netball team and CPS Muppets Basketball team continue to show their dedication to training and competing. The sound of their morning practices echoes throughout the school grounds, with the Panthers training under the guidance of Matua Fou and Whaea Marie, while the Muppets are coached and managed by Matua Faenza, Miss Fonotia, and Whaea Emilee.

The Muppets have been performing exceptionally well this year, currently sitting in the top spot of the year 7/8 A grade with no losses so far.

They play every Thursday night, usually at Pakuranga College. On the other hand, the Panthers play Tuesday nights at the Auckland Netball Center and Saturdays at Browns Road.

The hard work of these teams has not gone unnoticed. The students are eagerly awaiting the announcement of the team list that will represent the school at the 2023 Zespi AIMS Games, which will be held in Tauranga early in September.

It's impressive to see these young athletes putting in the time and effort to pursue their passion for sports, and it's a testament to the supportive coaches and staff at CPS. The school community has every reason to be proud of these students and their achievements.

**TONIGHT**

**COMING  
SOON**

# CPS WHEELS DAY
