Blessing of Te Hapai O

The name we are giving this new dining room is Te Hapai O, The meaning of this name is those behind the screen who feed, nourish and sustain the many.

Samoan Language Week

In 2024, Samoan Language week starts on May 26th and finishes on June 1st. With a population of nearly 200,000 people and thousands of people of Samoan descent living in New Zealand, the existence of Samoan Language Week holds great importance and significance to our Samoan people.

The 2024 theme for Samoan Language Week is 'Tautua i le alofa, manuia le lumana'i' "serve in the love for a blessed future".

This theme derives from the overarching Language Week Series theme for 2024, 'Sustainability'

What does the phrase 'Tautua i le alofa' mean? This concept of tautua focuses on the phrase "Serve in love". Love is the driving force of service.

No Matter what service looks like or who is doing it, service is accomplished through the power of love.

We will be celebrating Samoan Language Week and Independence Day on Thursday 30 May at 9.15am on the courts or in our school hall if it rains.

We hope to see you all there.
