Manulua Market Day

Manulua Market Day was a success this term with all senior mainstream classes setting up stalls across our school courts, marketing and selling items they had worked on in class.

It was a great way to showcase what our students have been learning as well as getting our community involved and supporting the event.

Students got to learn about product development, marketing and financial management by creating and selling their products. Students interacted and communicated with customers improving their social and communication abilities. These events not only provide a platform for students to showcase their skills but also create lasting memories they shared with their peers.

Matariki

Last Thursday morning, we hosted a Whāngai te Hautapu ceremony to celebrate and welcome the Māori New Year. The event began with star gazing, where we searched for Matariki, which was faint but visible at the time. Following this, we gathered around a bonfire and initiated karakia, honoring and remembering those who have passed away by saying their names aloud. The ceremony concluded with a delightful breakfast, organized by our dedicated staff and whānau. The children enjoyed toasting marshmallows before joining us for the morning meal.
