ONLINE BULLYING: ADVICE FOR PARENTS

Is your child being bullied online?

Each case of online bullying is different and each child will respond differently to bullying - behavior that deeply affects one child may be water off a duck's back to another. There's no fool-proof way to tell if your child is being bullied online, but if you think they might be try asking them about it in a non-confrontational way.

Online bullying (also known as cyberbullying) is when a person uses digital technology to send, post or publish content with the intention to harm another person or a group. This behavior is often aggressive, is repeated and involves some kind of power imbalance between the people involved.

Online bullying can take many forms:

- name calling online
- repeated unwanted online messages
- spreading rumours or lies
- fake accounts used to harass people
- excluding people from social activities
- embarrassing pictures, videos, websites, or fake profiles

Dealing with online bullying

Each situation is different and we can help you to understand the best options available to you. There are also some actions that you're able to take yourself that can help.

Social media

Teach your child how to use the features available on most social networking sites including blocking and unfriending people and reporting content. You should also show them how to update privacy settings on social media - if you're not sure how, visit the safety centers of the social media platforms they use.

Contact the school

If the bullying is happening at school, or involves students at the school you should contact us to talk about the situation and options available to resolve things. If you need to discuss this option you can also contact Netsafe on 0505 638 723

Photolife online orders

Individual/group/class photos that have been ordered online from Photolife Studios are now available to be collected from the school office daily between 8.30 - 3.00 pm.

If you require the photos to be sent home with your child, please send a note requesting this to the school.

LET'S SIVA

Our Year 3-6 students had the privilege of having Let's Siva lessons for the past five weeks this term. Let's Siva is an education, health & wellbeing approach that supports young people to learn strategies to help with their mental abilities, physical activation and spiritual success through participating in a collective experience of Dance. The students learned various dance movements and gained so much confidence through this awesome initiative. The students showcased what they had learnt over the five weeks through a choreographed piece, Thank you so much to those parents/caregivers who attended and supported their children.

A picture of some Room 9 students with our awesome Let's Siva leaders.

WORLD OF MATHS

Last week our Year 7-8 students experienced the travelling roadshow that is The World of Maths. This was a very enjoyable activity for our tamariki, and they thoroughly enjoyed collaborating and solving challenging maths puzzles together.

SCHOOL SPORT UPDATE

MPSSA Inter School Netball Tournament

A huge congratulations to our Year 5/6 boys netball team who won the MPSSA inter school Netball tournament.

We had 2 boys teams compete and one of the teams took 1st place and were undefeated. The other team only lost 1 game out of 5. Well done boys.

Auckland Boys Netball

Congratulations to our Year 7 boys who finished 1st and are 2024 Auckland Champs for Netball. Also Congratulations to our Year 8 boys who finished 5th. Sensational effort by both teams!

Great job to all teams and their coaching staff, who put so much work in behind the scenes.

CCSA League

Tough day at the office for our team at CCSA League last week. Up against some very impressive opposition, we finished 4th out of six schools. Lots of rain and wind throughout the day, as well as a few minor injuries.

Huge shout out to our awesome Coach Jay, who gave up so much of his time to coach the boys - it was massively appreciated!

Counties Cross Country

Some sensational results at Counties Cross Country last Friday, with SEVEN runners finishing top ten of their race. All of those runners will be going through to the Auckland Inter-Zone finals at Muriwai. This is, by far, the largest number of runners we have ever taken to Auckland.

Our Year 8 girls team finished second and our Year 7 girls team finished third, which were both amazing results.
